### **An Avalanche of Fun is Coming to CD10! Councilwoman Hutt is Bringing the Snow to Los Angeles!**

[Los Angeles, CA] An avalanche of fun is coming to Council District 10! The Office of Councilwoman Heather Hutt is excited to announce that this December, we will be having a series of Snow Days at various parks throughout the District.

Each Snow Day will be FREE for everyone, and will offer a range of activities, including over 60 tons of snow, arts & crafts, food, games, and more. These unique events will give Angelenos of all ages the rare chance to experience the excitement of a “snow day”, as well as spread holiday cheer!

“The holidays are all about spreading love and unity!” Said **Councilwoman Heather Hutt** (CD10). “The various snow days we’re having this year will be an amazing opportunity for our community to get together, make new memories, and get in the Holiday spirit! I cannot wait to spend time with the community this season, and want to thank the various businesses, organizations, and individuals that have contributed so much to giving our community some fun!”

“The Koreatown community is appreciative of the partnership with Council District 10 to provide holiday cheer to all members of our community. We look forward to welcoming our families to Seoul International Park and continuing to uplift Koreatown with the continued support from Councilwoman Heather Hutt.” Said Johng Ho Song, Executive Director of Koreatown Youth & Community Center (KYCC)

For information on all snow days see below:
